

1020 N STREET, SACRAMENTO, CALIFORNIA 95814

October 31, 1980

In our capacity as the Midwifery Advisory Council to the Department of Consumer Affairs of California State Government, we are seeking your views on several aspects of midwifery licensure.

Enclosed is a summary outline of concepts addressed by SB 1829 (defeated in February, 1980). We would appreciate your written or verbal response as to how these issues could be addressed by California, please contact:

Patricia Ternahan
730 Miller Drive
Davis, CA 95616
(916) 756-3189

In Southern California, please contact:

Susan Stuart
1319 Princeton
Santa Monica, CA 90404
(213) 828-8162

Thank you very much for your careful attention to this matter. As an Advisory Council, we hope to make our recommendations as representative of California's needs as possible. We look forward to hearing from you.

Sincerely,

CLAUDIA FORD, Chairperson
Midwifery Advisory Council
